TANDA TULA SAFARI CAMP: CHARTER FLIGHT ACCESS

1. Rockfig Private Airstrip – Federal Airlines.

- In September 2022 Rockfig Private Airstrip owners engaged with **FedAir as the sole and exclusive Charter Company** to provide a scheduled service from OR Tambo and KMIA. This was done for several reasons namely in the spirit of good neighborliness, for the promotion of the Timbavati Private Nature Reserve as a destination as well as to manage the air traffic.
- Kindly note **31st December 2023** will be the last day that third party charter aviation companies will be allowed to land at Rockfig Private Airstrip.
- Transfers to Tanda Tula take about 10 minutes and are done by a Tanda Tula Safari Vehicle, on a complimentary basis.

**We appreciate this may impact some of your reservations and there may be circumstances that warrant otherwise. In this instance, please contact Tanda Tula Reservations: reservations@tandatula.com*
